2 January 2026

## **FROM THE DESK OF THE PRINCIPAL**

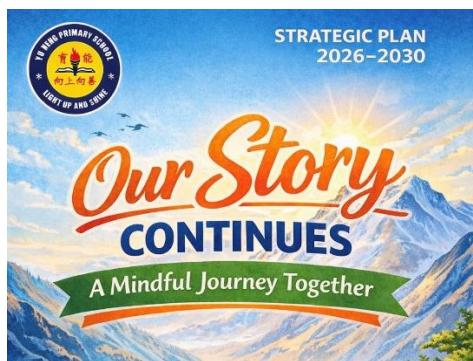

Dear Parents / Guardians,

My staff and I would like to extend our warm greetings and best wishes to you and your family in the new year. We are delighted to welcome our students back to school and to extend a special welcome to the parents of our new Primary 1 students and newly transferred-in students as they join the Yu Neng family. As we enter Yu Neng's 91<sup>st</sup> year of establishment in 2026, we reflect with pride on the generations of students who have flourished through the dedication of our educators and the steadfast support of our parents, partners, and the wider community. Looking ahead, we are excited to journey alongside you as we nurture the holistic development of every child.

This year, our focus will build on our refreshed **YN Strategic Plan for 2026 to 2030**, guided by our vision of the Portrait of a Yu Neng Student and the Portrait of a Yu Neng Staff. Together, these define the qualities we seek to cultivate:

- For our students: We aim to nurture Passionate Learners, Creative Thinkers, and Caring Leaders who take ownership of their learning and make meaningful contributions to the community as Changemakers.
- For our staff: Our educators embody passion, professionalism, innovation, and mindfulness. They will continue to be Confident, Competent, and Caring, while remaining Engaged and Motivated in all that they do. As part of their professional work, they will also strengthen Quality Collaborations with Key Partners and the Community.

Anchored in this vision, our school will enrich innovative teaching and learning with digital and experiential approaches, promote mindful practices for well-being, and strengthen connections within our vibrant community of students, parents, staff, alumni, and partners. Through these efforts, we nurture GR<sup>3</sup>IT values and lifelong learning habits, empowering every child to shine with passion, creativity, and care. With your continued support, we look forward to a strong and enriching home-school partnership as we help our students 'Light Up and Shine' in all that they pursue this year, to write the next chapter of our Yu Neng story.

## **1. ANNOUNCEMENTS AND UPDATES**

### **1.1 Staff Movement**

We welcome on board the following staff and look forward to their contributions to the school. We wish them a pleasant working experience with us.

- Mdm Tan Ming Yueh (HOD/Mother Tongue Languages)
- Ms Tan Yen Ling Shaline (LH/English Language)
- Mr Loh Shao Wei (ST/Music)
- Ms Chan Min Yi Mandy (Music Teacher)
- Mdm Farhana Zura Abdul Rahman (Malay Language Teacher)
- Mr Siak Cheng Mun, Lionel (Physical Education Teacher)
- Mdm Tham Miaw Jeng (Mathematics and Science Teacher)
- Ms Zhao Yunluan (Chinese Language Teacher)
- Mdm Ng Jenny (Science and Social Studies Teacher)
- Mdm Suraya Mohamed Ismail (English and Social Studies Teacher)
- Ms Tasneem Abdul Hamid (Art Teacher)
- Ms Chew Poh Choo Cheryl (Senior Special Education Needs Officer)

### **1.2 School Advisory Committee (SAC)**

Our School Advisory Committee (SAC) has consistently provided strong and steadfast support to our students and staff over the years. Working closely with the school and through their generous provision of resources, the SAC has made significant contributions to the success of programmes that enhance student learning and holistic development. Their active involvement has been instrumental in broadening the opportunities and enriching the experiences available to both students and staff. Our current SAC, led by Chairman, Mr Aw Chye Wee; Vice-Chairman, Mr Tan Chor Khoon Vincent; together with the other esteemed committee members (please refer to Annex A) will be ending their two-year term of office by end of June this year. We look forward to their continual support for the Yu Neng school community as we prepare for another new term of office.

### **1.3 Parent Support Group (PSG) EXCO**

Yu Neng Primary School has been fostering close partnership with parents to strengthen the holistic development of all students. PSG has played a key role in inspiring and connecting parents to co-create and enhance learning experiences with the school for our students. They have worked hard, coordinating their time and efforts to contribute to our students' educational journey. We would like to thank all members of PSG for their dedication to enhancing the learning experiences of our students. We are pleased to introduce the PSG EXCO 2026, (please refer to Annex B) and deeply appreciate the services of Mr Chua Chern Yi as Chairperson and Ms Rachel Lai as Vice-Chairperson, and Ms Elina Gwee, ex-chairperson, will be advisor during this period of transition.

We look forward to your support for our PSG and welcome all parents to be involved in our school programmes, including volunteering as Parent Helpers (PH) if you are available. Thank you!

## **2. SCHOOL ROUTINES**

### **2.1 Attendance**

At Yu Neng Primary, we place strong emphasis on regular and punctual school attendance. We believe that consistent attendance enables students to make optimal progress in developing healthy habits, life skills, character, and academic learning.

Parents are kindly reminded **not** to take their children out of school during term time without valid reasons, including for overseas travel. Should there be a need for leave during term time, parents are required to submit a request for a Leave of Absence (LOA) in advance to the Principal through the Form Teacher.

All absences from school must be supported by a medical certificate (MC) or a letter of excuse from parents/guardians, which should be submitted via Parents Gateway. We appreciate your kind understanding and cooperation in supporting your child's learning and development.

### **2.2 Health and Well-being Matters**

#### Student Health, Well-Being and School Routines

Your child's health and well-being are of utmost importance to us. We are committed to ensuring that Yu Neng Primary remains a safe and healthy environment for all students and staff, and we seek parents' continued support in this effort. If your child is unwell, please ensure that he/she stays at home and seeks medical attention where necessary. For students recovering from respiratory-related illnesses, we encourage the exercise of social responsibility, such as wearing a mask and minimising interactions with large groups.

#### Temperature-Taking Exercise

From 2026, the temperature-taking exercise will be conducted once a year.

- Date of Exercise in 2026: **Wednesday, 1 April 2026**
- Parents are advised to ensure that your child's thermometer is in good working condition and brought to school on that day.
- If a thermometer has been misplaced, a replacement can be purchased from the school bookshop at \$5.50 per piece.

All Primary 1 students have been issued a new Oral Digital Thermometer (ODT) on Friday, 2 January. This is a one-off issuance, and the cost of any future replacements will be borne by parents.

### Recess and Snack Break Arrangements

To support our students' well-being, the school will continue with cohort recess timings. In addition, students will be provided with a short snack break in class. Students are strongly encouraged to bring light and healthy snacks from home, such as sandwiches, fruits, or biscuits.

Level	Recess	Snack Break
P1	8.30a.m. - 9.00a.m.	12.00p.m.

Your child will receive a consolidated and customised After-School Activities Consent Form in Term 1, Week 2. Parents are kindly requested to review the form carefully and indicate your consent for your child's participation in the various after-school activities. Please remind your child to return the signed consent form to his/her Form Teacher by the stipulated deadline.

### 2.3.1 Academic Support

The school will be conducting FUNdamentals, an after-school programme designed to strengthen foundational knowledge and skills **for selected Primary 5 and Primary 6 students**. The programme comprises customised and differentiated lessons, tailored to better support your child's learning needs. FUNdamentals lessons will be conducted **face-to-face in school** starting from Term 1, Week 5 (Monday, 2 February 2026). Each session will be held from 2.00 p.m. to 3.30 p.m.

### **2.3.2 Co-Curricular Activities (CCA)**

CCA plays an integral role in the holistic development of students. Through active participation, students gain authentic opportunities to develop their character and 21st Century Competencies, while also discovering their interests and talents, helping them lead a balanced and fulfilling school life. All Primary 3 to Primary 6 students are strongly encouraged to participate in a CCA. **Primary 3 students will be informed of their CCA allocation on Monday, 12 January 2026**, and can look forward to beginning their CCA alongside their seniors.

All CCAs will be conducted face-to-face in school starting from Term 1, Week 5 (Monday, 2 February 2026). Please note that certain CCAs may have CCA-specific earlier start dates in view of upcoming competitions in the early part of the year. The respective CCA teachers-in-charge will share further details and arrangements directly with their CCA students.

### **2.3.3 School Bus Services**

To support the after-school activities, there will be school bus services available in the afternoons and the pick-up timings from the school foyer are as follows:

Mon	Tue	Thu	Fri
3.40p.m.	4.00p.m.	3.40p.m.	4.00p.m.

If your child requires the bus service, do contact the bus operator directly.

**Steadfast Transport Service (Office)**

**Tel No: 67474825      Mobile No: 97365432**

**Email: [steadfastbus@gmail.com](mailto:steadfastbus@gmail.com)**

The table below shows the fares for the after-school bus services. Payment for after school bus service is on a per term basis and will be collected at the start of the term.

### **3. UPCOMING EVENTS**

#### **3.1 SMART Card Photo-taking for P1s and P6s**

Smart Card photo-taking for **P1s and P6s** will take place on **Friday, 9 January 2026**. Students are to report to school in their **full school uniform with ties on this day**.

#### **3.2 Parent-Teacher Meeting**

We believe that partnering with parents and guardians is a key part of our students' educational journey. We are committed to building effective home-school partnerships to nurture and support the growth of every child. Our first virtual Parent-Teacher Meeting (PTM) for 2026 has been scheduled for Saturday, 24 January 2026, for all levels. The session will introduce parents to key personnel and level form teachers and provide important information relevant to your child's level.

We warmly invite parents/guardians to attend the PTM at the scheduled times below:

Levels	Time
P1, P4, P5	8.30a.m. - 9.30a.m.
P2, P3, P6	10.00a.m. - 11.00a.m.

Further details regarding PTM1 will be provided in a separate letter in due course

#### **3.3 P4 Museum-Based Learning (MBL) to National Gallery Singapore**

The National Gallery Singapore houses a rich collection of Southeast Asian art, providing an authentic context for learning about local art as part of Primary 4 students' core art curriculum. Through this experience, students will deepen their understanding and appreciation of Singapore's history and heritage, expressed through the works of local artists.

The P4 Museum-Based Learning (MBL) experience is designed to provide both breadth and depth in learning about local art. It includes pre-, during-, and post-visit activities, allowing students to engage as both artists and audience, creating and appreciating art in a meaningful way.

Respective P4 classes are scheduled to attend their MBL on:

- Thursday, 15 January 2026
- Friday, 16 January 2026
- Thursday, 22 January 2026

Further details will be shared via Parents Gateway in a separate letter.

### **3.4 Primary 5 Project Work**

Project Work (PW) is a multidisciplinary learning experience that allows students to think creatively and critically to apply the knowledge learnt in lessons in the real-world context to create for good. Students will also reflect on and evaluate their work processes and learning attitudes for continuous improvement. In Yu Neng, our PW takes on a blended approach where students employ the effective use of technology to hone their research skills, communicate ideas and collaborate with peers online. They would also harness the affordances of technology to engage an authentic audience in the presentation of their work confidently and motivate their audience to action in their causes.

There will be scheduled Home-Based Learning (HBL) Days for P3 to P5 during PW to provide the opportunity and experience for students to demonstrate the necessary digital literacy skills and dispositions as they work towards becoming self-directed and independent learners. On HBL Days, students of the mentioned levels are expected to stay at home to engage in planned online and offline learning activities.

Your child will also be provided with instructions on how to access their learning materials by his/her teachers. Please make home care arrangements for your child if he/she has home-based learning. Students enrolled in the school-based Student Care Centre (SCC) may attend from 1.30 p.m. on HBL days and please coordinate directly with Big Heart SCC on this.

This year, our P5 students will embark on a rice-planting journey to learn more about food sustainability. The P5 HBL Day is scheduled for **Wednesday, 11 February 2026** and more information will be shared in a separate letter. HBL information for P3 and P4 students will also be shared separately in due course.

### **3.5 School Health Visit**

The Ministry of Health (MOH) School Health Service (SHS) conducts annual health screenings to ensure the well-being of students. Our school's SHS visits are scheduled from Monday, 26 January 2026 to Wednesday, 4 February 2026.

All P1 to P5 parents are strongly encouraged to complete the Child Lifestyle Questionnaire by Friday, 16 January 2026. Health Booklets from P1 and P5 students should be submitted to their Form Teachers by Monday, 15 January 2026. Please refer to the MOH letter sent via Parents Gateway by Wednesday, 31 December 2025 for more details.

## **4. IMPORTANT THINGS TO NOTE**

### **4.1 School Attire & School Uniform Supplier**

Students will continue to be allowed to wear either their school uniform or PE attire daily. This aims to provide greater support to all students in view of the warm weather. Do note that students are

to tuck in their shirt/t-shirt at all times. More information on the school attire can be found in our Student Handbook.

Students will be expected to wear the school uniform with their ties for the termly Celebration Day, to be held on Friday, 13 March 2026, Friday, 29 May 2026, Friday, 28 August 2026 and Thursday, 19 November 2026. Similarly for the annual class photo-taking for all levels this year, students will be required to be in their school uniform with school tie. Additionally, P1s and P6s are also to put on their full uniform with tie for the SMART Card photo-taking (see Para 3.1 above) on Friday, 9 January 2026.

For more details of the location and operational hours for sales of uniform by our supplier **Jeep Sing Fashion**, you may refer to the attached information sheet. Should you have any questions related to school uniform, please contact our Administration Manager, Mdm Dawn Liew.

#### **4.2 School Security Measures**

To ensure a safe and secure learning environment for all students and staff, the following measures apply to everyone entering or waiting on school grounds:

- All visitors must register at the security desk in the school foyer.
- Visitors with an official appointment should report to the General Office to obtain a visitor's pass.
- Parents and caregivers are not permitted to wait inside the school compound during school hours. Please wait punctually at your child's designated dismissal gate.
- Students will be dismissed via Gate 4 after CCA or other after-school activities.

Gate opening hours for Gates 3 and 4 are as follows:

Gate 3	6.30a.m. - 5.30p.m.	
Gate 4	Before School (Except during school holidays)	6.40a.m. – 7.30a.m. (Mon-Fri)
	After School (Except during school holidays)	1.15p.m. – 1.50 p.m. (Mon-Fri)

#### **4.3 Safety Messages**

The school will be conducting a safety briefing on Friday, 9 January 2026 to remind all students of important safety habits and messages to keep themselves safe. We would like to seek your cooperation to work with the school in ensuring the safety of students coming to and leaving school and to inculcate good safety practices by encouraging and role-modelling for your child. This is especially important as young children may not have the skills required to use roads properly and do not always fully appreciate the dangers presented. Their small physique also makes them less visible to motorists.

We would like to reiterate the road safety policies of the school:

- a) Reduce vehicle speed and stay alert for pedestrians in the school zone.
- b) Cooperate with traffic marshals to ensure overall safety and smooth traffic flow.
- c) Let your child alight only at the **designated drop-off points**.

Parents who are sending their child to school by car, can either:

- i. drive into the school to alight your child between 6.30a.m. to 7.30a.m.; or
- ii. alight your child at public HDB carpark at Blk 508 which has a sheltered walkway leading to gate 4 of the school.

For the safety of your child and other road users, please do not alight your child along the road just outside our school main gates.

i. Drive-through alighting point in school

ii. Public HDB carpark at Blk 508 school

- d) Be advised not to violate traffic rules by driving recklessly or making illegal maneuvers such as turning into the school from the outer lane(s) of the road.
- e) Do not sound the horn indiscriminately.
- f) Let your child alight from the car on the side nearest to the kerb as quickly as possible.
- g) Reinforce correct road safety behaviour such as using pedestrian crossings and avoiding jaywalking or using a handphone while crossing. The roads outside our school can be busy during peak hours. Please remind your child to use the traffic lights near the school to get across roads.

Traffic lights near the school

- h) Remind your children to practise the kerb drill before crossing - "look right, look left, look right again, ensure all vehicles have stopped, raise your hand high up and cross the road briskly".
- i) If your child must cycle to school, ensure that he knows safe cycling rules and is a competent cyclist. **We strongly encourage cyclists to wear a helmet that fits properly** to protect their head from injury. They may park their bicycles at the designated lots nearest Gate 4.
- j) For the safety of everyone, enforcement action will be taken against motorists who violate traffic rules.

We thank all parents and guardians who have been role models for our children.

#### **4.4 Fire Drill**

The school will be conducting fire drills on Tuesday, 27 January 2026 and Thursday, 23 July 2026 which aim to familiarise students, school staff and vendors with emergency procedures. The safety exercises are essential in providing the experience for everyone in the school building to know the evacuation plan and to heighten awareness of personal safety in the event of a real emergency. Parents are strongly encouraged to spend time talking with your child to reinforce the above-mentioned safety messages.

#### **4.5 Insurance for Students**

All students in government and government aided schools are covered under the Ministry of Education's Group Personal Accident (MOE GPA) Insurance Plan for Students. The MOE GPA insurance is provided at no cost to parents. This insurance covers students for accidents that may occur during school hours, during school-related activities, and while students are travelling directly to and from school, subject to the policy's claim limits. We strongly recommend that students seek treatment at public healthcare institutions to ensure sufficient coverage under the MOE GPA insurance scheme. As private hospitals charge significantly higher medical costs, there may be more out-of-pocket expenses for parents/guardians as there are caps to the MOE GPA insurance. Please note that all claims are subject to the policy terms and conditions. Please refer to the attached detailed factsheet that outlines the specific coverage details, online claim procedures, and important terms and conditions.

#### **4.6 Birthday Celebrations**

The school will not accept requests from parents to celebrate their children's birthdays in school. The guideline is put in place to prevent:

- Potential food safety and allergies incidents
- Loss of curriculum time and/ or recess time for play
- Unnecessary pressure upon students to get their parents to organise celebrations for them

We seek your understanding in cooperating with the school on this matter.

### **5. IN CLOSING**

We have attached the schedule of School Programmes and Activities for Semester 1 in Annex C. We hope this will help you with forward planning for your child's school year. We sincerely thank all parents for your continuous support and collaboration. As we step into 2026, let us continue our shared commitment to nurturing wholeness within our school community. We look forward to another year of meaningful collaboration, guided by gratitude and renewed determination to make a positive impact together.

Yours-in-education,

Mr Ng Yeow Ling
